participants at  
previous workshops...**

"Fantastic class... I used what I learned right away!"

"Great Course very easy to learn Thanks!"

**Meet the Instructors :**

**Jason Babby, Pharm .D. BCPS**

Dr. Jason Babby is the Assistant Director, Clinical Pharmacy Services at Mount Sinai Beth Israel. Just prior to this he was the Drug Information Clinical Pharmacy Coordinator at The Mount Sinai Hospital for 5 years. He received his Doctor of Pharmacy degree from St. John's University and completed a PGY-1 Pharmacy Practice Residency at Hunterdon Medical Center followed by a PGY-2 Drug Information Specialty Residency at Rutgers, The State University of New Jersey/Robert Wood Johnson University Hospital. He is Board Certified in Pharmacotherapy and maintains a position as Adjunct Clinical Assistant Professor at Northeastern University. In his role as Drug Information Clinical Pharmacy Coordinator, he answer questions from various health care providers regarding their patients therapy, educated staff on new medications added to the hospital formulary, and provided medication counseling to patients at high risk of readmission.

# Drug and Drug Safety Update for Nurses

## Course Description

*This program is designed to give nurses and nurse practitioners a better understanding of the pharmacology, indications, contraindications, benefits/risks, pertinent administration considerations, and clinical trials data of a broad spectrum of new agents and those that have been granted a new indication. This activity will allow nurses and nurse practitioner to be aware of the most up to date and most appropriate therapeutic decisions that are being made for their patients.*

*Upon successful completion attendees will receive a Certificate for 5 CEUs.*

## Schedule and Locations

**2016, 2017**  
**November 16, 2016**  
**January 21, 2017**  
**March 4, 2017**
