Advances in MOVEMENT DISORDERS: The 3rd Annual NYC Movement Disorder CME Symposium

Sunday, April 6, 2014
Icahn School of Medicine at Mount Sinai
THE GOLDWURM AUDITORIUM
1425 Madison Avenue
New York, NY

Course Co-Directors
VICKI SHANKER, MD
Assistant Professor of Neurology
Mount Sinai Beth Israel

STEVEN FRUCHT, MD
Professor of Neurology
Director of the Robert and John M. Bendheim Parkinson and Movement Disorders Center
Icahn School of Medicine at Mount Sinai

Sponsored by
Division of Movement Disorders
Department of Neurology
Icahn School of Medicine at Mount Sinai

www.mssm.edu/cme/courses
PROGRAM DESCRIPTION
This full-day annual symposium will provide a comprehensive update of treatment approaches to the diagnosis and management of movement disorders. A broad spectrum of disorders including Parkinson’s disease, tremor, dystonia, chorea, and tics will be addressed. Through video case presentations, didactic lecture, and interactive discussions with expert clinicians, this program will present leading-edge diagnostic and management strategies to better enable clinicians to care for movement disorder patients in 2014.

EDUCATIONAL OBJECTIVES
At the conclusion of this activity, participants will be able to:

- Describe abnormal movement phenomenology, including parkinsonism, dystonia, chorea, tremor, and tics.
- List discussion points for counseling a patient with Parkinson’s disease on the role of genetics and genetic testing.
- Formulate a diagnostic workup and treatment plan for the patient with dystonia.
- Generate a differential diagnosis for the patient with chorea, given the clinical presentation and history, and identify appropriate diagnostics.
- Describe in general terms how local injections of botulinum toxin are utilized in the management of movement disorders, including the criteria for patient selection.
- Describe the characteristics of tremor in essential tremor, Parkinson's disease, and dystonia.
- Describe an appropriate movement disorder candidate for DBS surgical intervention.
- Explain the value of a neuro-ophthalmologic exam in the diagnosis of a movement disorder patient.

Who Should Attend?
General neurologists, family practice physicians, psychiatrists, rehabilitation physicians, movement disorder nurses, physician assistants, movement disorder fellows, and neurology residents.

Accreditation
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance
Verification of attendance will be provided to all professionals.
