

Although Anesthesiologists in the Department of Anesthesiology are participating providers in many health plan networks, they may not participate in the same health plans and networks as the hospitals and facilities in the Mount Sinai Health System (even though those physicians may be employed by or affiliated with hospitals or facilities in the Mount Sinai Health System). A list of the health insurance plans accepted by Anesthesiologists in the Department of Anesthesiology for performance of anesthesiology services (including critical care anesthesiology services) appears below.
