## COVID-19 Health System Updates

April 25, 2020, Saturday

It is a beautiful Saturday morning, and I want to share something special with you today.

A message and music video from the one and only Jon Bon Jovi.

He made it for our own Mount Sinai family, and you are the stars.

You can see his beautiful homage to you [here](#).

I hope this warm tribute to you gives you extra pep in your step today, and thank you, as always, for all that you do.

Vicki R. LoPachin, MD, MBA  
Senior Vice President  
Chief Medical Officer  
Mount Sinai Health System
