REMINDER: Please Join Us for A Virtual Memorial Service for Members of the Mount Sinai Community Lost to COVID-19

The COVID-19 pandemic has placed a tremendous amount of strain on the Mount Sinai Health System community. As part of the healing process, we are hosting events and creating memorials to members of the Mount Sinai community whom we have lost to COVID-19.

A non-denominational virtual memorial service will be held on Tuesday, July 28, at noon. The service will feature music, readings, and a recitation of names. Please release staff to view the service as their clinical and operational duties permit.

Join the memorial service by clicking here or by dialing 929-436-2866 and entering meeting ID: 929 3206 1347 #.

Additionally, a moment of silence in tribute to our colleagues lost to COVID-19 will be held on Tuesday, August 4, across all three shifts at 10:30 am, 4:30 pm, and 12:30 am. Moments of silence will also be hosted at individual hospitals and facilities.

There are more tributes being planned for the members of our community lost to COVID-19. If you have questions, suggestions, or would like to contribute to the work of the COVID-19 Memorial Committee, please email: COVID19Memorial@mountsinai.org.
