

# At Noon Today: Please Join a Virtual Memorial Service for Members of the Mount Sinai Community Lost to COVID-19

July 28, 2020, Tuesday

As part of our healing process and to honor members of our Mount Sinai community who were lost to COVID-19, a non-denominational virtual memorial service will be held today at noon. The service will feature music, readings, and a recitation of names. Please release staff to view the service as their clinical and operational duties permit.

You can join the memorial service by clicking [here](#) or by dialing 929-436-2866 and entering meeting ID: 929 3206 1347 #.

In addition, a moment of silence in tribute to our colleagues lost to COVID-19 will be held on Tuesday, August 4, all across the Health System at 10:30 am, 4:30 pm, and 12:30 am.

There are more tributes being planned. If you have questions, suggestions, or would like to contribute to the work of the COVID-19 Memorial Committee, please email: [COVID19Memorial@mountsinai.org](mailto:COVID19Memorial@mountsinai.org).
