

COVID-19 Headlines

August 11, 2021

■ As of August 11, 2021, these rules are in effect to keep us all safe:

- Masks must be worn everywhere on Mount Sinai property*
- Eye protection is mandatory for all patient contact
- An N95 mask is required for all aerosol-generating procedures
- Get vaccinated—it is the best way to protect yourself

* Except if you are alone in a private office or eating at least six feet away from others in a designated area
