

Vaccine booster shots are

required by the New York State Department of Health for all eligible faculty, staff, trainees, and students.

You must get your booster and report it to Employee Health Services (EHS) by Monday, February 21, if you were eligible as of January 21.

All others must receive their booster within 30 days of becoming eligible.

You are eligible for a booster five months after your second dose of the Pfizer or Moderna vaccines, or two months after your only dose of Johnson & Johnson.
