

VISITOR POLICY UPDATE

Visiting Hours: 10 am - 6 pm, every day

Each patient can have two visitors at a time, and no more than two visitors per day.

All visitors must sign in.

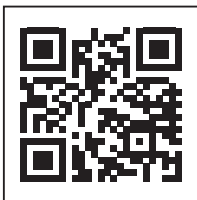

All visitors will be screened for symptoms of COVID-19 when they arrive at the hospital. Anyone who has symptoms of COVID-19 or who has been around someone with COVID-19 will not be allowed to enter.

Visitors are provided with and must wear appropriate personal protective equipment; face covering must be worn at all times.

Patients undergoing ambulatory procedures may be accompanied to the facility by a companion; that companion may remain with the patient through the initial intake process and may rejoin the patient for the discharge process.

Visitors must stay in the patient's room unless asked to step out by hospital staff.

Total visit time for inpatient units is four hours per day per visitor.

Details about our visitation policy are posted on our website www.mountsinai.org.
