

COVID-19 Safety Guidelines For Visitors

1. Symptom check If anyone has any of the following symptoms, or has had them in the last 24 hours, they should not enter:

- a. **feeling feverish**
- b. **new-onset persistent cough**
- c. **nasal congestion**

Or **have had close contact** with a **confirmed or potential COVID-19** patient.

2. Do not shake hands

3. Hand hygiene Prior to entry, please use hand sanitizer.

4. Social distancing We strongly encourage all visitors to remain at least **six feet** apart.
