■ LAUNCHING SINAI KIDS

We know that **child care has become a challenge** to members of our Mount Sinai family due to school and daycare closings. We are launching **Sinai KIDS**, a digital hub where you can access child care services, offer child care services to those in need, and learn about community-based child care/enrichment opportunities that may be available to you.

In an effort to make this opportunity available to you as soon as possible, we are simultaneously opening up the system for both enrollment of child care providers and those who are looking for child care to begin their search. Initially, there will be few child care providers, but we anticipate the list to grow quickly, so please check back frequently. For more information about Sinai KIDS and other child care programs available to Mount Sinai employees, please visit [this page](#) on the employee resources website, scroll down until you see Sinai KIDS, and then click.

■ WHERE TO SEND YOUR IDEAS AND QUESTIONS

So many of you have come up with **ideas for how we can do better** in this fight. Please keep those ideas coming. You can use the same email address that you have been using to send us questions: CovidQuestions@mountsinai.org
