

Warrior Watch Study

NOW RECRUITING MOUNT SINAI HEALTH SYSTEM EMPLOYEES

The Warrior Watch Study at Mount Sinai aims to identify COVID-19 infections before symptoms develop and to understand how the stress of the COVID-19 pandemic is impacting our health care workers.

WHO CAN PARTICIPATE?

To participate in the Warrior Watch Study, you must:

- Be a Mount Sinai employee
- Be 18 years old or older
- Have an Apple iPhone
- Have an Apple Watch or be willing to wear one provided by the study team

WHAT'S INVOLVED?

Participants will be asked to:

- Download the Warrior Watch app
- Answer a brief daily survey about symptoms and stress
- Wear an Apple Watch regularly during the study period

TO PARTICIPATE, EMAIL US AT:

covid.hcw@mssm.edu

Study participants are eligible to receive a total of **\$50 in gift cards** after completing 4 weeks of study activities
