

# COVID-19

## Today's Update

March 13, 2020 | Issue 9

Calm • Focused • Ready

### ■ WHAT'S NEW:

Governor Andrew Cuomo yesterday banned all events with 500 or more people and announced that any gathering under 500 individuals will be required to cut capacity by 50 percent. As a result of this and other similar orders elsewhere, Broadway theaters closed last night, and all major music and entertainment tours and sporting events have been postponed or their seasons cancelled. However, despite rumors to the contrary, all NYC public transportation remains open and on a regular schedule.

### ■ WHAT'S KEY:

**Mount Sinai NOW<sup>®</sup>**, which patients can access online or on their phone via an app, has dedicated ED physicians on standby to answer any questions. Patients can also **Text-to-Chat** or **Click-4-Care** to discuss their symptoms with a care team and be directed to help, if needed.

### ■ WHAT'S GOOD TO KNOW:

To help consolidate and provide greater access, all of the current and up-to-date signage that is being used in relation to COVID-19 can be found on the intranet [here](#).
