

COVID-19

Today's Update

March 9, 2020 | Issue 5

Calm ▪ Focused ▪ Ready

■ WHAT'S NEW:

We recognize that some schools across the tristate area are closing temporarily or for longer periods. We recognize the complications this will create for families and thus our workforce. Please be assured we are aware and working on additional information for staff and contingency plans and alternatives.

■ WHAT'S KEY:

We have updated our **Public Meetings, Lectures, and Event Policy**. It is critical that you, your teams, and members throughout the Mount Sinai community know about these important changes.

■ WHAT'S GOOD TO KNOW:

If you have questions about COVID-19, the new Meetings Policy, need sanitizer for meetings, or have other questions, you can email us here: CovidQuestions@mountsinai.org.
