Dear <First Name>,

We're writing to share some important updates regarding your UnitedHealthcare Dual Complete Medicare Advantage plan.

You may have recently received a letter from Mount Sinai stating your UnitedHealthcare Dual Complete Medicare Advantage plan will no longer be accepted by Mount Sinai Health System's hospitals and certain clinics affiliated with Mount Sinai hospitals effective January 1, 2023.

What does this mean for you? You will be eligible to enroll in another Medicare plan.

To find a new plan that has in-network access to your preferred Mount Sinai Health System hospitals and doctors, we encourage you to contact our partner eHealth, an independent insurance agency, today!

eHealth can provide you with a free, no-obligation review of your Medicare coverage plan options online, or over the phone. Their licensed insurance agents can also help you enroll, if needed, for free. Beneficiaries that used eHealth to compare Medicare coverage options **saved on average \$762 annually**. * Coverage not available in all areas. Plan benefits may vary. Limitations may apply.
