

A Message From The Chief Nurse Executive

Dear Mount Sinai Nurse,

As we spend this Thanksgiving with our immediate family, let us take a moment to pause and reflect on how much we have all accomplished this year.

By continuing to stand together by keeping each other safe, we can look forward to spending next Thanksgiving with our friends and extended family. The time is NOW. Let us give Thanks and share our strengths.

I wish you and your loved ones a Happy Thanksgiving.

Thank you,

Beth

Beth Oliver, DNP, RN

Chief Nurse Executive

Senior Vice President, Cardiac Services

Mount Sinai Health System
