

The Mount Sinai
Trusted Rehabilitation
Provider Network Directory

July, 2019

MOUNT SINAI TRUSTED REHABILITATION NETWORK PROVIDERS

All the practices listed are highly skilled at treating the wide range of orthopedic and neurological diagnoses; the specialties indicate practices with particular expertise in the specific services listed.

Some specialty services have separate charges which may or may not be covered by your insurance. Be sure to check with the practice. If a practice has more than one location, they are individually vetted. All locations are wheelchair accessible unless noted in OTHER. The Directory can be found online at:

<https://www.mountsinai.org/care/rehab-medicine/services/physical-occupational-therapy/provider-network>; or, type Mount Sinai Rehab Network and follow the link.

Insurance

Each independent practice determines which insurances it accepts. When you call to make an appointment, please check with the office directly to see if it accepts your insurance.

If you would like more information about the Network, its' members, or if you are aware of a rehabilitation therapy practice you would recommend for consideration to join the Trusted Network, please feel free to contact Hsien Tan at 212-824-8368 or Hsienhua.tan@mountsinai.org
