

**Mount  
Sinai**

*Phillips School  
of Nursing*

At Mount Sinai Beth Israel

## **WAYS TO VOLUNTEER**

Stay active with our school. Below are some of the ways to get involved. If you are interested, please send us an email at [alumni.association@mountsinai.org](mailto:alumni.association@mountsinai.org)

### **Student-Alumni Match**

The Student-Alumni Match matches alumni with our current nursing students during semester breaks to help our students learn about the broad range of careers from someone on the inside. Meetings are informal and can be conducted in person, by phone, by email, or by Zoom.

### **New Graduates Ambassador Program**

The New Graduates Ambassador Program enables recent graduates to speak with newly accepted students during Orientation and helps to give them an insider view on how to get through nursing school.

### **Alumni Speakers Bureau**

So many of you have great stories to share! Please consider joining us for student/alumni events held throughout the year. We would love to have you share your successful careers, experiences, and wisdom with our students. These events also serve as an informal networking opportunity.
