

Hi.  
 We're **EVEN® Hotels**, where travel and balance meet and have a healthy relationship. Where you'll find new ways to embrace wellness, wherever you are. So work up a sweat or a presentation. Bring back naps and sleep like you dream you can. Go for a double fudge ripple run. Now you can **Keep Active, Rest Easy, Eat Well and Accomplish More** on every trip.

### Keep Active

We understand that travelers can get easily frustrated when trying to maintain their exercise routines on the road. So we equip our guests with the latest insights, wellness trends and tools that enable them to stick to their routines and achieve their goals. And we make it easy for guests to keep their momentum going by providing options — from an outdoor trail to in-room fitness equipment or a group fitness class.

- Best-in-class gym, featuring 3 workout zones
- Flex Room classes and activities
- Designated in-room fitness zone with personal exercise equipment
- Fitness clothing laundry services

### Rest Easy

We offer a sense of comfort through the conscientious and responsible decisions we make, from eco-conscious design details to guest room cleanliness. So rest is always guaranteed. Natural eucalyptus linens, fresh scents and plenty of open, green space set the tone for a restful stay. Whether guests want to relax or recharge, they'll find it easy to do both.

- Premium mattress and bedding
- All natural linens and towels
- All natural EO amenities products
- Complimentary filtered water
- Adjustable LED colored mood lighting
- Nighttime tea

### Eat Well

Maintaining a healthy diet gets complicated when traveling. So we set out to make eating well on the road possible with healthier food options that are simple, natural and good. Guests can enjoy our wide variety of satisfying food and beverage options, or ask for our recommendations for where to eat in the local area. Sure, we do quick, convenient and healthy, but we also allow ourselves to indulge a little, too.

- Simple, natural, good food and beverage options
- Fresh, customizable, made-to-order menu offerings
- Convenient grab-and-go 24/7
- Indulgences including cocktails, wine, beer and desserts

### Accomplish More

EVEN Hotels is a flexible, convenient place to be productive. Guests can stay connected with free high-speed Wi-Fi throughout — from their guest room to the lobby to the outdoors. We know that travelers work in a variety of ways, so our flexible spaces enable them to work as they please, feel more in control of their environment, and even find some well-earned “me time” during their stay.

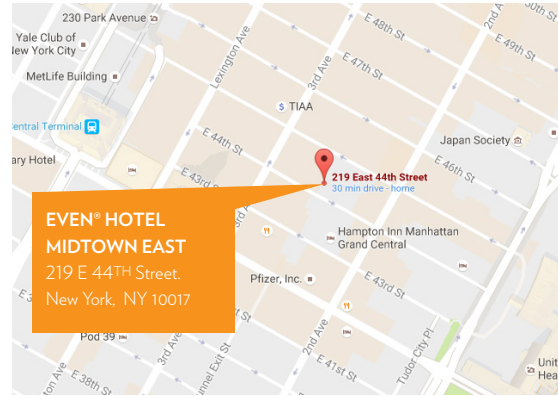

- Free Wi-Fi throughout property
- Hardwired ports in guest rooms and common spaces
- Meeting and event spaces, including the Flex Room
- Complimentary shuttle services
